THE GREAT HEARTS PROJECT

Salah Elkaryoney, the father of Islam Elkaryoney, the spirit child whose life and struggles are honored by the Foundation for the Child Victims of the Family Courts was allegedly an indicted co-conspirator in Egypt, in the death of President Anwar Sadat of Egypt (FCVFC.ORG Origins)

Haydn Anthony, Founder and Director of the Great Hearts Afire Project created an architectural design for President Anwar Sadat of Egypt called “Point of Peace”.

In 2006, following the publication of “How to Talk to Your Children About Divorce” Jill Jones-Soderman was inducted as a member of the Great Hearts Afire Project. Allyson Quattrocci, Esq., Founder and Publisher of the Family Mediation Press, nominated Dr. Soderman for the Project, thus completing a circle of life and affirming the concept of “six degrees of separation” for us all.
