CHILDREN IN PROVEN GRAVE DANGER OF HARM FROM FAMILY MEMBERS

NOT RESCUED!

WHY DOES OUR CRIMINAL JUSTICE SYSTEM/FAMILY COURT FAIL ?!

Over the past year the FCVFC has presented evidence of major child abuse –and torture.

We have to fight allegations that the children are lying, “coached”, “manipulating to get their own way”..... Protective Parents are vengeful and retaliating – despite clear, indisputable evidence of righteous, clear and convincing proof of violence, physical and emotional torture.

Bill Murray has been a meaningful ally and contributor to the work of the FCVFC.

Tonight I am honored to recount our year of living and fighting for children's rights.
