

I am a victim of Judge Lisa Gorcyca (Oakland County, Michigan) who was just found guilty of misconduct in a highly publicized case described in this article as well as my own (Flowers v. Flowers): <http://www.tsimhonirevisited.com/#!A-Legacy-of-Injustice-The-Truth-Behind-Judge-Lisa-Gorcycas-Tyrannical-Reign/c1k7q/56737b9c0cf24ae5e00d42d6>

I have had zero contact with my 9 year old for a year and a half, had my home forced into sale, leaving me homeless, been put in jail for contempt 4x (once while under going chemotherapy), and now have a gag order to protect the judge. There is absolute fraud on behalf of opposing and the judge as well.
