

Traits and Examples

- A. Physical Abuse, life threatening or dangerous incidents & animals
- a. Slammed stomach on cement 7 mos. pregnant with Brittany
 - b. Brittany newborn incident
 - c. Brittany about 3 months—jumped to attack me and almost pulled her legs out of their sockets in a rage until I handed her to him
 - d. Fractured mother's ribs
 - e. Threw Sydney as 3 month old infant
 - f. Threw Dani against car door
 - g. Affidavit-Witness saw him violently shaking Dani as a toddler
 - h. Van -rage—toddlers standing in open door
 - i. Hyde's clinical notes—"He could kill her" (Michelle)
 - j. Forced through locked doors hundreds of times
 - k. Randomly twisted skin, etc
 - l. Tore phone off wall: "No one will believe you"
 - m. Cat Gizmo, guinea pigs, baby bird at his Dads?
 - n. Sydney-punched his elbow into Sydney's ribs & knocked the wind out of her when 1 and $\frac{1}{2}$
 - o. Before divorce children would hide and intensely whisper plead with mom not to make them go anywhere with him
 - p. Sydney's note--Thank you for saving me—saving my life
 - q. Brittany--"spanked me real hard"—would tell me how Brittany always lied so much
 - r. After 2-3 year old Brittany was very afraid to mention to me that he often spanked her really really hard during times I was gone. When I casually mentioned this to him he told me Brittany lied about it like she always lied about everything. Years later after I had separated from him I began to wonder why Brittany would come home confused when he would repeatedly attempt to force her to believe that your mother always spanked you really really hard when you were little.
 - s. GAI Bodlik—said in transcript girls reported they might die if sent back
